February 12, 2009 Minutes

The meeting was called to order at 7:00pm by chairman Rob Stinson.
Commissioners present: Rob Stinson, Jim Wilson, Russ Luce, and Wilbur Loomis.

Commissioners absent: Tom Hodgkins and Phil Skwira.

There were no members of the public present.

The first order of business was to address the RDA for Ed & Jean O'Neil, which had been continued from the Jan 22nd meeting. Due to the absence of the O'Neil's, it was motioned and seconded to continue until the next meeting scheduled for Feb 26th. A vote was taken and all were in favor.

The next order of business was the RDA submitted by Shira Wholburg at the January 22nd meeting. A motion was made and seconded to continue this until the meeting scheduled for February 26th. All were in favor.

The minutes of January 22nd were read. A motion was made and seconded to accept the minutes (with typos) as read. All were in favor.

After reading an email sent by Mark Stinson (DEP circuit rider), the commissioners discussed the regulations concerning work within a 100' buffer zone needing an NOI, unless dealing with sewerage systems. (This was sent to the board in reference to the Melin form 2).

The other mail was read. Town secretary, Brenda Lessard requests a copy for her office of all public hearing paperwork. This is in order for her to be able to assist the public should they request to see it and she would not have to search our files for it. It was agreed this board's secretary would now do this.

At 7:50pm, there was a motion and second to adjourn. All were in favor. The next meeting is scheduled for February 26, 2009.

Respectfully submitted,
jal
