Minutes of meeting for October 19, 2009:

Members: Roger Bisbee, Andy Soles, Tim McQueston, Jim Locke  
Others present: none

Chairman Bisbee called the meeting to order at 7:05 PM

## Discussion:

- Sign bylaw enforcement; how to get our current bylaw enforced, and what is not enforceable about it. Some of the current provisions seem easy enough to understand and enforce; e.g. internally lit signs, etc. Agreed to ask Paul Tacy, Building Inspector, to advise us on what he thinks will help with enforcement, before we get into the wording of new or changed bylaws. Jim will ask Tacy to attend our next meeting on Nov. 2, for 7:30 or so. There was general agreement our sign bylaw should be tailored to our zoning districts.
- No previous minutes from 10/5
- PB meeting adjourned 7:48 PM. Next regular meeting 11/2/09, 7 PM, Rm. 202

Respectfully submitted,

Jim Locke
