

Williamsburg Tree Committee Meeting March 9, 2010

Present: Anne Bussler, Osa Flory & John Kuzeja,

This meeting was also attended by selectman Jeff Cieffreda, and Lance Wade, a Representative of National Grid.

Anne called the meeting to order at 7 p.m. This was a special meeting to discuss a list of trees identified by National Grid to be weak/dead trees which threaten to fall on electric wires in a storm. National Grid would like permission to cut/prune this list of trees.

The list was reviewed. Dead trees were given an automatic permit for removal. After discussing each tree, clearly dangerous trees were voted to be removed; other trees will be inspected by the tree wardens and we will communicate our opinion to the National Grid before the end of the month.

Meeting was adjourned at 8 p.m.

The next meeting will be held on Tuesday, March 16, 2010 at 7 p.m.

Respectfully submitted,  
Osa Flory
