

Minutes of Williamsburg Water/Sewer Commission
February 23, 2011

Members of the Water/Sewer Commission met in regular session on Wednesday, February 23, 2011 @ 7:00 P.M. The Chairman called the meeting to order and upon roll call the following were present: Walter Kellogg-Chairman, James Hyslip, Howard Sanderson, & Brenda Lessard, Secretary. Absent was William Turner and Kenneth Taylor.

1. Motion made by Howard Sanderson to sign and accept the warrants for March 3, 2011. The motion was seconded by James Hyslip. The motion was so voted and the warrants were signed.
2. The chair spoke that the water sample that was taken over to Test America on January 4th was "lost" and the perchlorate test was not done. He expressed frustration in dealing with them. They also sent the wrong bottles for a retest. Sam talked to Northampton about who they use for testing. They use Spectrum Analytical in Agawam for all tests except total coliform bacteria. They use Howard Laboratories for the TC test. Sam would like the board to accept those laboratories for testing. A motion was made by James Hyslip to change our testing labs to Spectrum Analytical and Howard Laboratories. The motion was seconded by Howard Sanderson. The motion was so voted.
3. Sam reported that he changed a frozen water meter at 29 Fairfield Avenue.
4. Sam reported that the logging was going well at the pump house and the logger that was working there was very conscientious of his work.
5. Motion was made by James Hyslip to adjourn the meeting. The motion was seconded by Howard Sanderson. The motion was so voted.

Respectfully submitted:
Brenda Lessard, Secretary
