- Barker announced there will be a short-term rental public hearing by the ZBA on April 29 at 6:30. The hearing is for property at 6 Fairfield Av. PB noted that a quorum might be present so the meeting will be posted.
- PB members gave Pawlik their comments on the most recent documents for a solar array application at 5 and 5R Hatfield St. This is on the property of Penelope Johnson. A representative of ZPT who could answer questions was not able to attend this meeting. Questions will be written and sent via email. Responses were requested by the end of the day Friday, April 26. Most of the comments and questions concerned missing or unclear legends on the maps and diagrams, and multiple issues in natural resources especially wetlands. A site visit was scheduled for April 27, 10:30 AM.
- After Pawlik left the meeting, there was some discussion about the desirability of more solar arrays in town, the amount of forested land we have, the need for another look at the bylaws that govern solar arrays, and the perennial question of enforcement.
- The meeting adjourned at 8:40 PM. The next meeting will be Apr 29 as a public hearing for the Hatfield St solar array application, 7:00 PM. This will be a joint hearing with the ZBA.

Respectfully submitted,  
*Jean O'Neil*
