## APPLICATION FOR A STREET NUMBER IN THE TOWN OF WILLIAMSBURG

The Assessors assign street numbers in Williamsburg.
Numbers are only assigned in writing and only to property owners, not tenants, in the interest of accurate record keeping.

The Phone Company will not install telephone service in a new building without a street number, so plan ahead. Complete this application (\#1-8) and return to the Assessor's Office. Please allow two weeks for your number assignment to arrive in the mail.

Once you have your number, you will be required to display it. Regulations for proper number display will be printed on the back of your number assignment form.
