

March 23, 2023 Board of Health meeting

Present: Helen Symons, Rusty Luce, Donna Gibson; guests Julia Peters and Paul Fenn.

Meeting commenced at 12:00 PM.

Presentation by Julia Peters and Paul Fenn, President of Local Power, LLC on Pioneer Valley Waste to Hydrogen. Seeking interest in Western Mass towns on this process in solving disposal of municipal solid waste including raw vegetable waste.

The Board did show interest in the process and will sign a letter of such (to be received from the above persons.)

Some discussion thereafter among the Board about additional safety concerns at the transfer station for the open box and the metal collection box. To be investigated with area fencing companies for solutions.

Meeting adjourned at 1:10 PM
