Meeting Minutes – December 1, 2016 – Williamsburg Town Hall

The meeting was called to order at 7:00 p.m.

Commissioners present: Marcianna Caplis, Andrew MacLachlan, Todd Lynch, Joe Rogers, Mary Dudek

Members of public present: Jim Moran, Jeff Koerner of Benesch Consulting, and Town Administrator Charlene Nardi.

Commissioners reviewed the Notice of Intent (NOI) submittal dated 10/1/16 for bridge rehabilitation work on the bridge carrying Bridge Street over the Mill River in Haydenville. Jeff Koerner of Benesch Engineering presented the project description for the proposed work to the bridge, including access to the site, and the logistics necessary to create the work area. The commission requested more clarification about the work to be done by having the engineering company provide a phasing plan for the work and a restoration plan for the stream bank once the work is completed. Andrew MacLachlan made the motion to continue the NOI; Mary Dudek seconded. All were in favor.

Commissioners discussed the multiple, on-going issues at the property on 16 Walpole Road.

Commissioners discussed the proposed tree cutting plan on Ashfield Rd. (File #340-8454-17) submitted by Peter Shumway.

Mail was read.

Meeting adjourned at 9 p.m.

Respectfully submitted,
