Meeting Minutes – July 13, 2017

Commissioners present – Marci Caplis, Andrew MacLachlan, Joe Rogers, Mary Dudek and Todd Lynch

Members of the public present – Fran Tilly, Ken Busbee and Patty Moriarty

Meeting called to order at 7:00 pm

11 Valley View Road

Commissioners discussed the addition of an enclosure over a disturbed area of ground in the riverfront. The project is exempt from the regulations because the conversion of lawn to a shed is permitted. Joe Rogers made a motion to grant a negative 5 determination to the project. Andrew MacLachlan seconded the motion, which passed unanimously.

7 Depot Road

Commissioners had an informal discussion with Ken Busbee about the removal of beaver dams from Joe Wright Brook near Lashway Lumber. Ken mentioned that he'd create a beaver management plan and submit it to the commission.

94 Ashfield Road

Commissioners discussed emergency work to be done to repair the broken septic pump.

At 9:15pm Mary Dudek made a motion to adjourn. Joe Rogers seconded it.

Respectfully submitted,
Todd Lynch
