

Williamsburg Energy Committee Minutes for October 17, 2022

Members Present: Dick Guzowski, Mimi Kaplan, Jim Piermarini (Chair), Neal Anderson, Adin Maynard

Others Present: Mary Dudek, Charles Dudek, and Kim Boas (former Energy Committee Members)

Called to Order: 6:30 PM

Minutes: Minutes from September 19 meeting approved unanimously.

Discussion with Past WEC Members: WEC solicited advice from former members of the WEC about their experiences and practices in engaging the Town on energy related issues. A wide-ranging discussion followed on the past members' recollections on audits, retro-commissioning, grants, town building energy upgrades, and other projects and activities past and present. The discussion ended up encompassing the other items on the meeting agenda, including the MVP grant and Public Safety Complex, town building energy audits and possible grant funding for the same, energy upgrades to the Anne T Dunphy School, and citizen awareness of residential energy upgrade programs.

Energy Aggregation Contract: Piermarini updated the committee on the current Colonial Energy contract, which expires in January. He reported that he has recommended to Town Administrator Caccamo that the Town go out for bid before renewing, and a discussion of options followed.
