

Minutes of the Foothills Health District Personnel Committee Meeting

April 21, 2022 @ 3:00 PM in person

Present: Tom Martin, Robby Armani, Mark Bushee, Fran Fortino, Donna Gibson and Gina McNeely.

Absent: Mike Kurland.

TM opened the meeting which was to interview Gina McNeely for the position on Health Inspector.

Members of the Committee discussed the job with GM, asked questions, received questions from GM.

Gina was felt to be extremely well qualified with her years as Health Director in Montague, her extensive background and years in public health work both in the field and in administrative work.

She is willing to work as a part-time employee for 15 to 20 hours a week which may vary from week to week depending on the work load. Her current rate of pay in work with other towns is \$38/hr., a figure she is requesting. She does not need benefits at this time. She does have surgery scheduled in June.

Four of the Committee members have known Gina for many years, some working with her in other venues and find her to be responsible, with integrity, personable, educationally-minded and dependable. She would be interested in mentoring students should that situation arise in future.

After much discussion, given Gina's education and background and years of work in this field, the Personnel Committee voted to recommend her for the position of Health Inspector to the full FHD Board at tomorrow's meeting.

Meeting adjourned at 3:50 PM.
