

Foothills Health District Personnel Committee - Minutes of July 20, 2022 meeting

Present: Robby Armenti (RA), Mark Bushee (MB), Fran Fortino (FF), Mike Kurland (MK)

FF chaired the meeting which started at 9:30.

Personnel committee compared cost of living increases granted for this FY in the 4 FHD towns as well as social security cola and inflation rate. We discussed who should get the cola increase and that an increased cola in line with town colas would be covered by our PHE grant, not town assessments. Motion was made by MK, seconded by RA and passed unanimously to provide a cost-of-living increase of 5% for FY23 retroactive to July 1, 2022 for 3 Foothills Health District staff as recommended by the FHD health director, MB.

Meeting adjourned at 10:10 AM.

Submitted by F. Fortino
