- Chair Robert Barker called the meeting to order at 7:00 PM.
- Succession planning was discussed, with Barker's replacement being considered. Further discussion was tabled until all PB members can be present.
- Further consideration of the 5 Hatfield St solar array submission is pending some new figures from the applicant because of an additional wetland area that was identified. The access road will be realigned to address this.
- Smith prepared a fact sheet on the short-term rentals to be presented at the upcoming Town Meeting. Slight edits were made and this will be a handout to the public.
- Bisbee presented a draft check list for short-term rentals. This was considered adequate at this time, pending bylaw approval by the Town
- The meeting adjourned at 8:10 PM. The next scheduled meetings will be Jun 10 and Jun 24, with some possible adjustments in those dates.

Respectfully submitted,
Jean O'Neil
