Chairman Robert Barker called the hearing to order at 6:31 PM.

1. The purpose of the hearing was to discuss removal of several trees marked by National Grid on town land along Hatfield St. Those trees are described as eight 3'' to 6'' cherry, one 6'' spruce, and one 12'' clump of hickory trees. The concern is over interference with power lines.

2. Members of the Planning Board had viewed the trees. Smith moved and Snow seconded that the marked trees can be removed. The motion carried.

3. The hearing was adjourned at 6:40 pm.

Respectfully submitted,

Jean O'Neil
