1. Field hockey Update

- The team is doing well. The high school team will be playing at Ames Field on Friday.

2. Ames Field/Tennis court discussion

- Joel has been working to get in touch with a company to provide court repair. Still trying to get something scheduled but may have to wait until spring due to scheduling because of all the rain and work delays.

3. Basketball

- Registration discussion
 - A Williamsburg family requested for their child to play on the Chesterfield team as he has practiced with the team recently. Correspondence has been exchanged between the Chesterfield and Williamsburg recreation commission. Chesterfield has suggested that if there is a team in the town of residence of the child, that they should play with that team, and the Williamsburg recreation commission agrees.
 - A motion was made and seconded to draft and send an email to all parties involved to state the above decision. This email was drafted and sent before the end of the meeting.
 - Registration is in process currently for all teams. By the end of this week we hope to have solid enough numbers to share with Southampton.
 - The Chesterfield coach John Reilly is researching the possibility of a Quabbin league teams in 5-6 and 7-8.
- Hoops
 - ATD school has suggested that the adjustable backboard option would be best, however they thought there might be a set of portable hoops that were moved during renovation. Joel will be following up with the town highway department to see if they can be found.
 - Stuart to follow up with company to check on installation of backboard system, and to follow up with ATD once we determine if the old portable hoops can be found.
