

## **Answers to Frequently Asked Questions for the Proposed Public Safety Building, Williamsburg, MA**

### **Q13. What options were considered for the new facility?**

- A.** Three possible safety complex options were looked at in detail for the HEJ site.
1. One, partially renovate the HEJ for public safety and build a separate vehicle bay.
  2. Two, update the HEJ to stabilize its condition and build a new Public Safety building adjacent to the HEJ.
  3. Three, remove the HEJ building and build a new Public Safety building in its place.
