Guests: None
Opened Meeting at 12:05 PM

Minutes of previous meeting
Approved

New Server Upgrade
- Intermittent Problems
- Hardware issues are resolved.
- Residual migration issues – Paragus states just a few loose ends left.
- Budget is fine, as Paragus is not billing for many migration issues.

RFP for Support Consultant
- RFP submitted and many downloads.
- Expecting responses from four vendors
    o Paragus
    o Suzor
    o Northeast Technologies
    o Retrofit
- May interview two or more candidates.
- Submit recommendations to Selectmen on May 5

Town Hall First Floor wireless infrastructure
- Supply chain issues
- Paragus working on customer and will move their equipment to Williamsburg.
- Expect resolution in next 30 to 60 days.

Next meeting set for June 7, at 12:00 PM. The meeting will be virtual. Inviting candidates that may be interested in joining the tech committee.

Meeting Adjourned 12:32 PM
