Meeting Called to Order at 7:01 pm

1. Motion made (ec) and seconded (dh) to sign the water and sewer warrants for 6/27/18 & 7/11/18. Motion so voted.
2. Sump Pumps-It has been observed that some users of the town sewer system have their sump pumps hooked into the sanitary sewer line which is not allowed. A letter will be sent to all users making them aware this is not allowed, give them 60-90 days to fix the issue if they are connected and to begin inspections of all customers by late autumn. If a customer is found to be hooked in, a \$100 fine may be assessed with possible increasing fines if not immediately corrected. The sewer assessment work recently done has shown increased seepage and discharge after rain storms.
3. The bill from the City of Northampton for FY18 sewer treatment has been received. It is much increased due to surcharges from increased BOD and TSS in the discharge.
4. Motion made (ec) and seconded (dh) to accept the Minutes of 6/12/18 as written. Motion so voted.
5. Next meeting-August 14, 2018 at 7:00 pm
6. Motion made (ec) and seconded (pk) to adjourn. Motion so voted.

Respectively submitted,
Brenda Lessard, Secretary
