Meeting Called to Order at 7:00 pm

1. Motion made (ec) and seconded (dh) to sign the water and sewer warrants for 9/5/18 & 9/19/18. Motion so voted.
2. Nancy Chapman of 86 Main Street had submitted photos of her water filter. The Board recognizes that the pipe needs to be located to put a hydrant before the T split to flush the lines.
3. Brewmaster's brewery abatement-Discussed doing away with the abatement that had been granted years ago due to the sewer discharge. Motion made and seconded to table the issue until after further testing has been done. Motion so voted.
4. Land Use Regulations-nothing to report.
5. (wt) discussed putting filters on the wells and getting the screens cleaned.
6. City of Northampton Update-The Board wants to pursue testing on our own. Six or so areas need to be tested to pinpoint areas of concern or to see if the wastewater issues are a town-wide issue. Regulations need to be re-written and/or amended to be in line with Northampton's new sewer regulations and to require certain type businesses to test their sewer discharge.
7. Next meeting-October 16, 2018 at 7:00 pm (due to (bl) being away)
8. Motion made (ec) and seconded (dh) to adjourn. Motion so voted.

Respectively submitted,
