	Paul Kennedy	x	
	Roger Bisbee	x	
	Gary Benoit	x	
	Brenda Lessard, Secretary	x	
	Others Present:		

Meeting called to order at 6:00 p.m.

- Heidi LeBaron Johnson & Geoff LeBaron were at the meeting to introduce themselves and give a progress report of their sewer tie in on Village Hill Road
- Mike Charpentier & Dennis Bates from Brewmasters Brewery were at the meeting to give an update on their discharge into the town sewer. Majority of the waste at 4 Main Street is being transported via truck to a farmer. Discussion was made re: high TSS and BOD reading and the necessity to lower the numbers. They have approximately 2000 gallons of waste a week being transported. The past two weeks there has been no discharge. They are looking for a wastewater meter.
- Members discussed testing the wastewater at the metering station, 4 Main Street, and down by Bread Euphoria. Bryan will begin the testing. South Main Street will be done first.
- The dam inspection of the Unquomunk Dam is complete. It will not need to be inspected for another ten years. The members thanked James Hyslip for completing the task.
- Dan Banister reported that hydrants will be flushed.
- High priority to be given to getting TSS & BOD numbers down. (JH) will request new date from Northampton on a regular basis.
- (RB) reported the Dept. of Agriculture has loans at a very low interest rate and we may be eligible for the Rte 9 project to replace the water main. The town may be able to get a 40-year low interest loan. (RB) will contact someone he knows to get more details

Respectively submitted,
Brenda Lessard, Secretary

Eric Cerreta

James Hyslip

Paul Kennedy

Roger Bisbee

Gary Benoit
