Meeting called to order at 7:03 p.m.

1. Dufresne complaint, Hillenbrand Road-A complaint was made about the color of the town water on a Sunday recently. A water user submitted a photo of the color of the water. The Board discussed that this road is an "end of route" line and each home on the street has its own line. There is no way to flush and the homeowner needs to let the water run in the house.
2. Northampton Sewer bill. An estimate has been given. The board will wait to see the actual bill.
3. There has been an increase in the calls for sump pump inspections. Highway will go out to the ones left to see if inspections can be done and leave a door tag if needed.
4. Repair work updates. The pipe at the Anne T Dunphy school will cost approximately \$5000 to fix. That pipe is a priority. The next priority is High Street.
5. Motion made and seconded to pay the American Water Works Annual dues for \$433. Motion so voted.
6. Motion made and seconded to sign the water and sewer warrants dated 7/10/19 and 7/24/19. Motion so voted.
7. Dates need to be obtained from Bread Euphoria and the Brewery of when they were closed for summer vacation in July. Pumping records need to be requested from both businesses.

Motion made and seconded to adjourn the meeting. Motion so voted. Next meeting will be 8/20/19.
